Good Moring Paul,

The WCBID bike patrol was not aware of any type of call from the manager at the Solair.

Please let the manager know to call (323) 823-3088 only between the hours of 10:30AM to 6:30PM for the WCBID bike patrol. If they do not get a hold of anyone please call me directly at (213) 321-6163.

If you want to give me the mangers contact info I can setup a quick phone call and meeting with them and the WCBID bike patrol to discuss ways to improve our communication. I will send the bike patrol there this morning to keep an eye on the area.

Also, I did see LAPD there this morning and I do know that the LAPD bike unit does often post at the H Mart so they Solair manager might have seen the LAPD bike unit and thought that it was the WCBID bike patrol.

Lastly, if a tenant is receiving threats they need to call LAPD as soon as possible to report the harassment. They should also work with their onsite security. Especially if it is inside the building, parking garage, stores or restaurants. The WCBID bike patrol is generally not supposed to go inside the building for liability reasons.

Thank you,
Michael Russell

Mike,

We have an on-going situation with a person threatening one of our tenants (US Marine office). I will send a photo of him later.

Our manager calls for the bike patrol but they never come to this location. The patrol would station themselves across the street at H Mart but never come across the street to Solair.
